# 2010 MGM Ironman Stage 4B Official Course Description

Welcome to stage 4B. My name is \_\_\_\_\_ and I'll be your CRO. Assisting me is \_\_\_\_\_, and \_\_\_\_\_. This stage is sponsored by ????. Please remember their support of the shooting sports when you make your next purchase.

This is a 24 round pistol COF. I'll read through the entire course of fire and then answer questions.

- The start position for this stage is standing on box on top of tower attached to zip line, pistol empty.
- On signal, step off platform and load pistol AFTER crossing into shooting area which is marked by yellow caution tape on the ground. Engage targets as they become visible.
- Loading pistol before crossing into shooting area will result in a match DQ. Note from MD: I'm not even joking about this. If you load before you cross the line, I'm going to DQ you. No, if's, and's, or but's.
- Plate rack targets are bonuses. Each plate knocked down is worth 10 seconds.

## NOTES:

1 A/B or two hits on paper neutralizes target, steel must fall to score, and clays must be chipped or have at least one BB hole to be considered hit. All stationary targets require two hits. Spinners must be spun. Failure to do so will result in a 60 second penalty added on to the overall time by the RO. Activating the "Flag" or "Door" portion of an IPSC target is a 5 second bonus up to 10 seconds. If flag or door portion is not hit, two rounds are **STILL** required on each target.

If the shooter chooses to go prone for the Rifle portion on **ANY** stage, the pistol **MUST** be made safe. Options include removing the loaded pistol from holster and laying it on the ground facing down range or unloading the pistol, showing clear, and re-holstering. The shooter can unload, show clear, and holster immediately after the pistol portion if they so choose. If a shooter does not do one of the above things, and goes prone, they are to be immediately DQ'd – no exceptions and no excuses – **BE CAREFUL!**

Any steel targets shot with slugs other than those specified in the course description will result in 300 second penalty and a \$25 donation to the MGM/AMU Jr. Camp ***per hit.***

Your help setting steel/clays and taping targets is greatly appreciated. Failure to do your fair share **COULD** result in a match DQ for unsportsmanlike conduct. Please help out so we never have to mention this again!! Thank you and have a great stage!!!
