

MGM Proud Sponsor of AMU Jr. Camp

It's on again! The AMU (U.S. Army Marksmanship Unit) Action Pistol Shooting Team is again hosting the 3 day shooting class at their great facilities at Ft. Benning, GA (Columbus) which will be sponsored by [MGM Targets](#) out of Caldwell, ID. This year, the dates are October 29-31. The camp is open to all Junior pistol shooters who have competed in an action pistol sport (with a center fire pistol) and have safe gun handling skills. ("Junior" means they will not be 19 at the time of the camp). While the camp focuses on USPSA style shooting (and is supported in part by the United States Practical Shooting Association [uspsa.org](#)), shooters with experience in [IDPA](#), [Steel Challenge](#), and [Cowboy Action](#) are also invited to attend.

The fee is still \$250, and includes hotel lodging for the shooter and a parent (Thursday, Friday, Saturday), and breakfast each day (Fri., Sat., Sun.). The AMU will pick up the juniors and parents at the hotel each day and bring them back to the hotel after the shooting. Transportation to and from your home state (air, car rental) is your responsibility, as are lunch and dinner each day.

[MGM Targets](#) is the main event sponsor and coordinator, and they have a few "camp scholarships" available for kids who could not otherwise afford to attend. The USPSA has also been very generous, donating money for MORE scholarships! Additionally, there have been some donations from clubs and individuals that could also help with transportation costs (on a limited basis).

If your club has a junior shooter who you feel would benefit from this training how about having your club sponsor them? Please, we encourage your club to identify a deserving junior, and give them the opportunity of a life time!

LOTS more information is available on the website [juniorshootercamp.org](#). You can also contact Rhonda Gibson at rhonda@mgmtargets.com. We hope to see your kids (and you) at the camp!
